CV · 2026

George Videne

Digital Creative Strategist

I make good ideas hard to ignore, across social media, eCommerce and campaigns.

12	30+	100+	2×
years in digital	brands	visuals a month	Instagram community

I have worked on both sides of the table: at agencies like McCann, Saatchi & Saatchi and De Silva Exclusiv and, since 2022, in-house. I combine creative concepts and visuals with social media, eCommerce and paid campaigns. I like marketing that doesn't just look good but moves something: a KPI, a product, or at least an eyebrow.

- **Social media:** Instagram community doubled, TikTok close to 50,000 followers
- **Email:** newsletter with above-average open rates, plus automated flows (abandoned cart, win-back)
- 100+ visuals a month; I coordinate media agencies on Meta and Google Ads
- **AI:** team dashboards, plus visuals and video for the site and campaigns
